HOME INSPECTION SERVICE
Canada's Leading Home Inspection Company™

How the program benefits homeowners.

Keeping your home in tip-top shape while making sure it looks its best is both time-consuming and costly. And homeowners who have recently moved are most likely trying to make smart purchases—but of course they still want the best for their home. This is why we believe that you will find our offer with The Brick to be both relevant and valuable. Whether you're buying, selling or just sprucing up your home, you can enjoy special company prices from The Brick on a wide selection of furniture, mattresses, appliances, electronics, décor items and more. The result? Our customers get access to valuable savings from a trusted brand.

Why The Brick?

The Brick is one of Canada's biggest brands for home merchandise, and it has been for almost 37 years. As a Canadian company, it is a recognizable, trusted brand among homeowners and operates over 200 locations across Canada. In 1984, The Brick was named Canada's top retailer in its category, and has continued to uphold its reputation, emphasizing the importance of both savings and customer service. With the redesign of their website in 2004, homeowners now have 24/7 access to the 6,000 items that The Brick offers for your home. The Brick is also perfect for homeowners, because it has everything you need in one place. You can find the necessities and luxuries for every single room in your home, whether you're looking for couches, an electric fireplace, lighting, rugs, beds, TVs, a fridge, DVD and Blu-ray players, or a dishwasher, you'll find all that and much more at The Brick.

How does it work?

Simple. After receiving an AmeriSpec home inspection, our privileged customers will receive a certificate which identifies the homeowner as being part of the privileged program offered by The Brick Commercial Sales Division. Because the offer is valid by appointment only, you must book an appointment with a representative of The Brick who has been specifically designated to this program. Your certificate will have the name and contact information of the person who has been appointed for The Brick location near you. They are there to provide you with quality customer service, help you register and answer any questions you might have about the program.

After your appointment, you can begin to take advantage of the special company prices that the certificate offers you on a large selection of mattresses, furniture, appliances, electronics and decorating items. The certificate must be submitted at the time of purchase and cannot be combined with any other sale or promotional item displayed. In addition to what you'll save, the certificate is transferable to family members. So if one of your loved ones is looking to move in to a new place or redecorate their home, they can take advantage of this special offer as well.
